

# HENDGES

## R M C

**SERVICE THAT HITS THE MARK:** Hendges RMC provides impartial, professional advice in the field of risk management consulting, independent of insurance companies, insurance brokers and intermediaries. Our clients include both global corporations and small and mid-size companies. We develop forward-thinking strategies for optimized, sustainable insurance management and actively ensure their implementation. Our clients benefit from our objectivity, many years of experience and industry-specific know-how relating to linking client processes with the insurance and brokerage sector.

We have an immediate opening for someone to join our team in Munich as a
